In Search of Church Matthew 16:13-18

IDEA: What we are going to do is cooperate with what Jesus has promised to build

1. Because Jesus is responsible for the church
 - A. We must watch what we believe
 - B. We must watch what we teach

So...Have an open heart to God's Word

2. Because Jesus is the builder of the church
 - A. We must strive for growth in depth
 - B. We must strive for growth in breadth

So...Be tools in the builder's hands

3. Because Jesus is the assurance of the church
 - A. We must rest in His assurance
 - B. We must not rest in our service

So...Move forward in faith

Conclusion: Make a big deal out of the church
