## The Church's Only Job Matthew 28:18-20

IDEA: The Church should have only one thing on its "to-do" list

### 1. The Product of the Church

We are to make followers of Christ

We are to make followers everywhere

We are to make followers all the time

**Response # 1** We must link everything we do to disciple-making

### 2. The Process of Disciple-Making

Help people identify with Christ

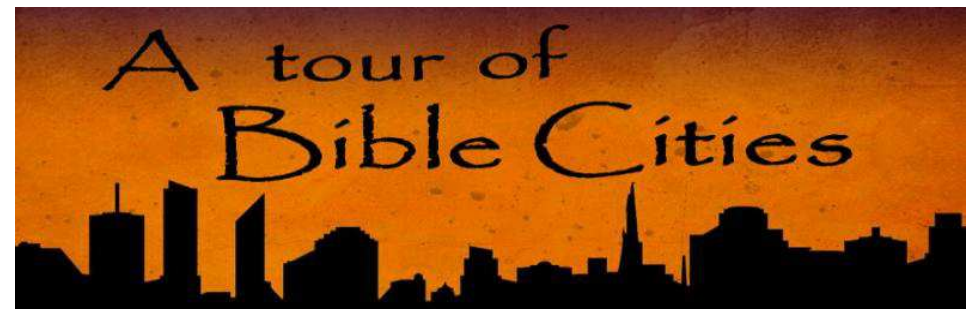

Help people know Christ's commands

Help people keep Christ's commands

**Response #2** We do this through communicating the truth

**Response #3** We do this through modeling the truth

Conclusion: Let's make some disciples
