Count On It!
Revelation 22:7

1. The dependability of His Word should dictate your beliefs
 - A. What do you believe about your future?
 - B. What do you believe about your past?
 - C. What do you believe about your present?

2. The dependability of His Word should drive your behavior
 - A. As a way to honor Him
 - B. As a way to be blessed

Conclusion:

Is turning to Him your first response?
