Jesus' Return: The Solution to Sorrow

1 Thessalonians 4:13-18

1. Know of His coming in relation to us

The dead in Christ are with Him now
The dead will rise at His coming
The living will be caught up
All believers will be with Him forever

2. Know of His coming in relation to Him

He will personally come
He will gloriously come
He will powerfully come

3. Know of His coming in relation to our needs

We should not be ignorant
We should not be sorrowful
We should comfort each other

Lay your sorrows alongside the return of Jesus
