Pastor Jesse Waggoner

The Shadow Kingdom

Daniel 1:1-7

What we see and what God is doing are not the same

1. It looks like the wrong plan...
but God is protecting His reputation
2. It looks like we are in the wrong place...
but God is putting us in a place of usefulness
3. It looks like we are the wrong people...
but God is our identity
4. It looks like the wrong prospect...
but God is our future

Conclusion: Even when you don't detect it,
God is at work
