Daniel's Babylonian Prophecies

July 3, 2016 Morning

Pastor Jesse Waggoner

## Cling to the Kingdom

Daniel 6:1-28

We hold onto the eternal in the trials of life

### 1. What life gives you

Big ugly problems - SIN  
are caused by nasty people - SATAN  
who manipulate others - TEMPTATION  
to put you in danger - TRIALS

### 2. What you should do

- Do what you know to be right
- Declare your trust through prayer
- Privately wait for God to show

### 3. What you should believe

- God is able to deliver
- God's work in you is for others too
- It's all about the glory of God

Cling to the One who is eternal!
