

**Discussion guide for:
"He is Risen indeed"
(Following Jesus session #11)**

Opening up

If you had to name some “game changers” in your life what would they be?

Observing the scriptures

Read John 20:1-9, 19-29

For Discussion

Your video teacher mentioned that the resurrection produces four things, belief, direction, energy, and blessings, which are you most in need of at the moment?

How does the willingness of the disciples to die for belief in Christ provide proof of the resurrection?

How does the fact that we serve a living Lord motivate us to live and serve Him?

Do you think we underutilize the power of the Holy Spirit? Why is this so?

Why is it more blessed to believe in the risen Christ without seeing Him?

Spend some time thanking the Living Lord for His presence and activity in your life.
