Failure Prevention

Matt. 26:32-46

A. Jesus wants you to know what failure looks like

Failure to watch and pray leads:

- to misplaced confidence (vs. 33-35)
- to mishandled conflict (vs. 69-74)
- to a miserable condition (vs. 75)

B. Jesus wants you to know the path to success (vs. 41)

Watchfulness:

- means being alert to danger
- expecting opposition
- an awareness of surroundings
- expecting temptation

Prayerfulness:

- reminds us of our weaknesses
- reminds us of our standard of right
- keeps us from the tempting situation
- connects us to His power

Conclusion: Would you make a recommitment of watchfulness and prayer?
