## The Greatest Prayer

Luke 22:39-46

Our understanding of Jesus' prayer in the garden should lead us to new levels of worship and service

### 1. The popular view: The suffering and pain of physical death

If true, He struggled with His calling and mission

Did He? (Matt. 20:22, John 12:27, John 10:17-18)

If true, God the Father did not answer His prayer

Did He? (Hebrews 5:7-8)

So: with your entire being worship the Savior!

### 2. The preferred view: Deliverance from death itself

If true, He never struggled with His calling

If true, He was willing to "go beyond" to accomplish His mission

If true, God the Father answered His prayer

If true, we should say "Hallelujah, what a Savior!"

So: with nothing held back serve the Savior!

Say with me... Phil. 2:8-9
