**What the Bible Says About Heaven**

Luke 16:19-31

The reality of heaven leads us to reevaluate  
the motivations in our lives

**We must understand the seriousness of the life to come**

1. Yes, it's real
2. You have to die to get there
3. Conscience, continual existence
4. No revisions allowed
5. Hell= Torment
6. Heaven= Comfort
7. No going back
8. No talking back

**We must reject the life lived for self (Luke 16:14,19-26)**

1. Success in this life does not guarantee success in the next
2. Death is inevitable (vs. 22)
3. The consequences are severe (vs. 26)

**We must accept the life directed by God (Luke 16:16, 27-31)**

1. All will come to the realization of the truth (vs. 27-28)
2. All should respond to the truth now (vs. 29-31)

**Question:** Are you accepting God's direction in your life?
