

What is a LifeGroup?

LifeGroups are small groups of people who gather in either homes, a classroom, or wherever else to center on God's Word, prayer, fellowship, worship, serving and living life together. This serves as the foundation for deep truly life-changing relationships. LifeGroups are vessels of the church which create a safe environment where people can encounter Jesus Christ, find resources and relationships to nurture spiritual growth.

Purpose

The purpose of a LifeGroup is a three-fold: Spiritual Growth (love for God & others), Biblical Community (accountability, belonging, & care) based on Acts 2:42-47 and fulfilling the Great Commission (Matt. 28:19-20).
