

Study Guide: Session Six

GETTING STARTED

What does a person with “The World Revolves Around Them Syndrome” look like?

Why is it so easy to adopt that point of view?

OBSERVATION

Read Colossians 1:15-16

Re-read these two verses and emphasize the personal pronouns.

Re-read again and emphasize the prepositions.

DISCUSSION

The word translated image is literally the word “Icon” how is Jesus the icon of God?

The word firstborn indicates that Jesus has the right to rule just as a king's firstborn son would inherit the kingdom. By what right does Jesus rule over all things?

If **He is the PLAN for all things** in what ways do we wrongly act like we have the plan?

Paul declares in verse 16 that everything was made by Jesus. If He has the power to create what does this say about His authority to rule?

If **He is the POWER for all things** in what ways do we wrongly assume we have authority?

This teaching says that all things were created for Him. Since **He is the PURPOSE for all things** in what ways do we wrongly act like it is all about us?
