

Study Guide: Session Eight

GETTING STARTED

Think about the last power outage you experienced, how did you respond, how did it make you feel?

OBSERVATION

Read Colossians 1:19-23

We to make sure we are not “disconnected from these truths”

As you scan through chapter 1 note how Paul moves from the big picture to the individual believer. Why do you think he does this?

DISCUSSION

How does it make you feel when you are disrobed as one time enemy of God? Does that help you appreciate more how much Christ had to overcome to save you?

Reading the things Jesus will accomplish in you (verse 22) how do think we should respond in our lives today?

In what ways do we get disconnected from that? What leads us to this disconnection?

One is one practical step you can take to stay connected to a living relationship with Christ?
