## The Greatest Problem - The Greatest Solution

Colossians 1:13-14

Since Christ has solved our greatest problem—  
we should act like it

### 1. How do delivered people act?

They don't act like they are still trapped  
They do act like they are free to serve

### 2. How do conveyed people act?

They don't act like everyone else  
They do act distinctly different

### 3. How do redeemed people act?

They don't act like it was a small thing  
They do act like it is a great gift

### 4. How do forgiven people act?

They don't act like they are perfect  
They do offer forgiveness to others

**Conclusion:** Live as the person you are in Him
