Christ the Creator

Colossians 1:15-16

In spite of what we may think, feel or do,
Christ is the point of it all

1. Christ is the Plan for all things

He is before everything - RIGHT
And we think we have a plan - WRONG

2. Christ is the Power for all things

He created everything - RIGHT
And we think we have ability and authority - WRONG

3. Christ is the Purpose for all things

He created everything for Himself - RIGHT
And we think we are the purpose - WRONG

Conclusion:

Believe, act and feel that Christ is the point of it all
