

All good things don't come to an end
1 Samuel 28:3-25

Even death will not end our opportunities to serve God

1. On the other side believers are still acclaimed (1 Sam. 25:1)

So: Serve knowing it is worth it

2. On the other side believers are still around

So: Serve out of love and appreciation

3. On the other side believers are still aware

So: Serve because today's decisions have eternal results

4. On the other side believers are still adoring

So: Worship because worship is service

5. On the other side believers are still available

So: Service may be good practice for eternity

Serve in the joy of unending opportunity
