## In the Shadow of the Cross: The Voice of Truth

Luke 19:28-48

In order to advance, we must listen to the right voices

### 1. Do not listen to truth spoken in insincerity (vs. 38)

Calling Him King but being short sighted  
Calling Him Lord but serving self

Check your motivation

### 2. Do not listen to untruth spoken in sincerity (vs. 39-40)

Untruth #1: He has limited ability  
Untruth #2: He has limited worth

Check your humility

### 3. Do listen to the truth spoken in sincerity (vs. 41-48)

It is possible to miss the work of God  
It is possible to mess up worship

Check your sincerity

Conclusion: Do you hear what He wants to do for you?
