## Youths Killed for Ridiculing Bald-Headed Man

2 Kings 2:23-25

### The Strange Factor:

Young men of Bethel are killed by bears for ridiculing Elisha for being bald-headed

### The Underlying Meaning:

Clue One- "Bethel"

Center for idolatry; enemies of the true God

Clue Two- "Youths"

Not children but young men; demonstration or near-riot against God and His prophet

Clue Three- "Go up"

Elijah had just "gone up" (vs. 10-14); either a desire that Elisha die or duplicate the experience of Elijah- either way they wanted him "gone."

### The Lessons for Us:

Respect God's Word

Respect God's authority

Respect God's servants
