#### Breaking the Ice:

Can you think of a time in your life when you were totally blindsided?

- Watch opening video presentation

#### Exploration:

Read: *1 Corinthians 10:13*

Why does Paul call temptation common? Why do we need that reminder?

Do we ever get tripped up by being unaware of how common temptation is?

Think of the following biblical examples and evaluate if you think those involved “saw” temptation coming:

Eve in Genesis 3:1-7

David in 2 Samuel 11

Ananias and Sapphira in Acts 5:1-11

## **Bringing it Home**

What would be different if we started every day actively aware that temptation was coming?

In what ways could you suggest that we can take the camouflage off of temptation?

- Watch closing video presentation

## **Bottom Line**

Temptation is common to all of us and common in our lives- be watching for it.
