Believe the Gospel

John 20:24-31

We must replace our doubts with belief

1. When we operate in doubt

- We lose touch with the promises of God
- We lose touch with the people of God
- We lose touch with the priority of faith

2. When we operate in belief

- We know presence of Christ
- We offer praise to Christ
- We must serve Christ

Are you operating in doubt or belief?
