

Life after
FAILURE

October 16, 2016 Morning

Pastor Jesse Waggoner

Failure's End

John 6:1-14

1. When we take our problems in hand...

It is not enough to identify the problem
(vs. 5)

It is not enough to calculate the scope
of the problem (vs. 7)

It is not enough to inventory your
resources (vs. 8-9)

**2. When we place our problems in
Jesus' hands..**

God receives the credit (vs. 11a)

He multiplies the blessing (vs. 11b)

He extends the blessing to others (vs. 12-13)

He proves worthy of our trust (vs. 14)

Will you place everything in Jesus' hands?
