A Fresh Start

John 3:1-21

Jesus came to impart life- accept it, enjoy it!

1. Life comes from above

Not self-effort

Not religious effort

2. Life comes from the spiritual realm

It is not explainable or visible

It is mysterious and unseen

3. Life comes from a substitutionary sacrifice

Look to the one lifted up

4. Life comes through belief

Belief grants eternal life

Belief lets us live in eternal life

Jesus came to impart life- accept it, enjoy it!
