

The Greatest Moment in the Greatest Life

Luke 23:26-49

The moment that seemed to be the greatest defeat
was the moment of greatest victory

1. Because when evil meets good– good wins
(vs. 32-38)

It may not look good now
In the end, good always wins

2. Because when unbelief meets faith– faith wins
(vs. 39-43)

It may not seem right now
In the end, faith always wins

3. Because when God meets Satan– God wins
(vs. 44-46)

It may not seem likely now
In the end, God always wins

4. Because when hate meets love– love wins
(vs. 47-49)

It may not seem probable now
In the end, love always wins

Keep running back to the FACT of victory!
