

## Why We Need a Hero (Judges 2:11; 6:1-12)

### Main Idea

Looking in the life of Gideon in these first 12 verses God provides us with a case study of failure and deliverance from sin.

**Ice Breaker:** If some bully were to come to where you live and ruin three resources you use in making a living, what three would they be?- taken from Serendipity Bible

### Discussion Questions

1. Where have you been unable to learn from the past, and thus you find yourself (and maybe your children) repeating the same sin?
2. How do you feel that times in our lives we need to lose things in order to repent and turn back to God?
3. What do you do after you have been disobedient to God?
4. If you feel lost, frustrated, fearful or that you feel that you have a target on your back; ask God if He is trying to tell you something. Are you trying to get my attention?

Is this challenging me to grow in my relationship with You LORD or are You chastising me to repent?

5. As a follower of Jesus Christ, do you view yourself as a saint? Why or why not?
6. To avoid sinful patterns in your life ask yourself this; how often are you spending time with God in His Word?

*Unlike the Israelites; let us not hit rock bottom before we cry out to God. Let us call upon the Name of The LORD first!*
