Life's Main Thing Galatians 1:1-6

A relationship with Jesus is life's main thing

1. The main thing comes from God (vs. 1)

It comes not from human effort
It comes through Jesus' effort
It comes through God's action

Making the main thing the main thing brings us
back to purity

2. The main thing gives us a family (vs. 2)

It provides those who are "with us"
It brings us into a brotherhood

Making the main thing the main thing brings us
back to unity

3. The main thing brings grace and peace (vs. 3-6)

By dealing with our sins
By delivering us from this evil age
By fulfilling the will of God
For the eternal glory of God

Making the main thing the main thing brings us
back to worship

Are you making the main thing the main thing?
