The Greatest Problem - The Greatest Solution

Colossians 1:13-14

Since Christ has solved our greatest problem—
we should act like it

1. How do delivered people act?

They don't act like they are still trapped
They do act like they are free to serve

2. How do conveyed people act?

They don't act like everyone else
They do act distinctly different

3. How do redeemed people act?

They don't act like it was a small thing
They do act like it is a great gift

4. How do forgiven people act?

They don't act like they are perfect
They do offer forgiveness to others

Conclusion: Live as the person you are in Him
