

**Discussion guide for:
"The Second Coming"
(The Return of Christ - session #2)**

Opening up

Many doubt the reality that Jesus will return, can you share some of your thought as to why this is so hard for so many to accept?

Observing the scriptures

Read Rev. 19:1-20:3, Note the four Halleluiahs (or Alleluias) in verses 1-6. The term Halleluiah comes from the Hebrew meaning "Praise the Lord" - What are you currently praising God for?

For Discussion

Verses 7-10 emphasize Jesus' truthfulness and faithfulness? How has He been faithful to you?

Make a list of the twelve descriptions of Jesus in verses 11-17. Which one are particularly mysterious? Which ones are particularly impressive?

How does it help you knowing that Jesus will defeat His enemies and THE Enemy?

Conclude your time by offering a prayer of thanksgiving and praise to our coming Lord
