Lessons from the Bible's worst leaders

Mistake #6 Half-way Obedience

1 Samuel 15:1-35

Half-way obedience is full-disobedience

1. Half-way obedience is predictable

When you look for a trophy

When you look for treasure

When you look for approval

When you look for an excuse [vs. 24]

2. Half-way obedience is harmful

Loss of reward

Loss of dignity

Loss of fellowship with others

Loss of opportunity to serve

3. Half-way obedience is avoidable

Listen carefully to God's instructions

Obey even if you don't understand

Always check your heart

Be quick to repent

Obey God all the way
