

A Broken Heart 1 Sam 15:1-11

Those who disobey God create heartbreaking results

1. Willful sin is heartbreaking – don't make light of it (vs. 1-9)

Don't lower the Bible's standards
Don't substitute man's values for God's

2. Willful sin is heartbreaking to God - don't excuse it (vs 11a)

While God knows and causes, His heart can still break
While God will deal with sin, His heart can still break

3. Willful sin is heartbreaking to God's servants - don't ignore it (vs. 11b)

Pray for those living in disobedience (all night)
