

The Promise of the Kingdom

(Revelation 20:6)

Interpretive Considerations

- Literal or symbolic?
- Conditional or unconditional promises?

Kingdom Components

- A People – descended from Abraham (Genesis 15:5-6)
- A Land – Caanan/Euphrates to Nile (Genesis 17:8, 15:18)
- A King, a Kingdom and a Throne (2 Samuel 7:12-13)

Lessons:

- God is faithful to keep His promises.
- God will not let our failure stop His plan.
- God will not let our failure stop His plan.

Questions:

- How would you encourage someone who is “disappointed” with God?
- How do you respond to being part of His story?
- Does your future “kingdom” life give you help in the present?
