## Jesus and Service

Matthew 20:20-28

He came to serve (so should we)

### 1. Lay aside your own desire (vs. 20-23)

Because what comes natural is usually wrong  
Because it misunderstands the mission of Christ

### 2. Reject the pattern of the world (vs. 24-25)

Because it leads to division  
Because it leads to strife

### 3. Accept the challenge of service (vs. 26-28)

Because greatness comes from being a servant  
Because winning comes from being a servant  
Because service demands giving of yourself

Get busy for God
