

### **Obadiah: A Lesson in Pride and Promise**

**Main Idea:** God desires that we humble ourselves to Him because He hates pride.

**Connect:** What was your most embarrassing moment?

#### **Discuss**

1. What insight, observation, or principal from this sermon did you find to be most helpful, insightful or troubling? Explain ...
2. If God were to do the same to us (as a nation, as a community, as a church body), what prideful behaviors do you think He would mention?
3. How does knowing what God doesn't want help us to remain in His will and combat pride?
4. Have you ever identified a generational behavior pattern in your life and stopped it? Have you ever noticed it in another person's life?
5. Pride has a way of sneaking into the life of a believer. How does pride show up in your life?

#### **Live it Out**

- Only God can rid our lives of pride. Pray, and ask Him to reveal to you the areas where you are prideful. Ask Him to surrender these issues to Him and allow Him to teach you humility.
- Pride is timeless and something that we all share. Find a battle scripture to help you when pride rears its ugly head in your life and share it at the next group meeting.
- One of the things Edom was judged for was not helping out their kin (family) when they were down & out. This week take the time to serve someone you don't get along with.
