

**Believe it or Not! (Genesis 17)**

Fuel your faith....

Fuel your faith by feasting daily

Fuel your faith by knowing God before you commit to God

- God is ALL knowing, everywhere, and powerful
- God goes before us more than we go after Him
- God desires to transform us, then bless us
- God frees us in order to free others

Fuel your faith by cutting off sinful nature by trusting God for every-  
thing

Fuel your faith by knowing it's a lifetime of trust, not an  
overnight accomplishment

God asks us to simply have faith in Him and He blesses us

## WALKING POINTS

### Questions

1. Are you striving to live up to those names (Child of God, saint, Christian, disciple, follower of Christ, etc.)?
- Are these names a good fit for the life you are living?
2. Pretend that a non-believer can watch you live your life every day for a whole month. Could they tell there's a difference between your life and theirs?

Be reminded that just as you wear clothes  
you also wear God's name!
