

Let Go! (Genesis 22 :1-24)

Test bring out our best

Test of Obedience

We don't need more faith we need more obedience

Partial or delayed obedience is disobedience

The commitment of the test

Who we really are is best determined by what we're willing to surrender

Blessings of the test

What we release to God, He replaces with something more valuable

- God provides!
- God provides the assurance of His promises
- God provides for your needs

WALKING POINTS

Question

What area(s) in your life is God asking you to act in obedience towards Him?

For this week spend some intense time in prayer about this question. Then when ready, sacrifice that thing unto The LORD.

Remember don't bring a rubber knife to the altar
