

## **Flannel-Graph Jesus Study Guide**

### **Week 2: Jesus as Tough and as a Rebel**

**John 2:13-22; Matt. 22:15-22**

Ice Breaker: Share a funny story of when you did something rebellious as a teenager?

#### **Discussion**

1. How should Jesus's anger with the vendors in the temple caution us in the way we enter into worship?
2. How can we be angry, mad, or even rebellious, but still not sin?
3. Does this view of Jesus as tough and rebellious, draw you closer to Him? Why or Why not?
4. Since being tough and rebellious are usually viewed as negatives, do these characteristics hurt or help the spreading of the Gospel?

#### **Next Step**

This week, ask yourself if what you want from Jesus are only things that make you comfortable and content, or are you willing to accept a more difficult path?
