Week 4

Pray one another (Matthew 6:9-13; 1 Timothy 2:1)

Opener: Describe a time when you felt particularly close to God during prayer

Discussion Questions

Why should we pray?

Why does Jesus instruct us to pray for God's name to be "hallowed" (to be honored as holy) and His kingdom come before making requests for daily bread and forgiveness of sin?

When are you most likely to spend time praying?

Why is it important to pray for deliverance from temptation and evil?

What holds you back from praying?

Bottom Line: Pray for one another

1. Use Jesus' prayer & 1 Tim. 2:1 to provide an outline of what you can be praying for
2. Contact someone you know and ask how you can specifically pray for them
 - Don't forget to follow up with them later on
